

AUSTRALIA AIRPASS

You can now book Virgin Australia's Plus Pass in conjunction with your Etihad Airways international journey. If your guests are travelling to Australia with Etihad Airways, the Virgin Australia's Plus Pass is the most convenient way to book all of their internal or Trans-Tasmanian flights in one easy step.

With Virgin Australia's Plus Pass it's easy to enjoy more of Australia and still have the flexibility to make changes to the date or route at any time.

How does it work?

- ▶ Book an Etihad Airways flight from Europe, Middle East or Africa to Australia through the GDS.
- ▶ Select a minimum of 2 internal flights with our partner, Virgin Australia.
- ▶ The GDS will then automatically pick up the Plus Pass and calculate the price into a single booking, making it easier to keep track of your plans.

► Please refer to the below examples:
