ETIHAD
AIRWAYS

If your guests are travelling to Australia with Etihad Airways, the Australia & New Zealand Airpass is the most convenient way to book all of their internal or Trans-Tasmanian flights in one easy step.

How does it work?

- ▶ Book an Etihad Airways flight from Europe, Middle East or Africa to Australia through the GDS.
- ▶ Select a minimum of 2 and maximum of 10 internal flights with our partner, Virgin Australia.
- ▶ The GDS will then automatically pick up the Australia & New Zealand Airpass and calculate the price into a single booking.

Please note:

- ▶ The fare basis of Airpass fares ends with –PASSEY for Australia Domestic and –PPEY for Trans-Tasmanian & International Short Haul sectors.
- ▶ Australia & New Zealand Airpass RBDs are H/N/V. A combination of RBDs is possible.
- ▶ EY ticket time limit automatically applies. Please enter the EY TO TTL OSI element as per usual.
- ▶ For VA segments the VA baggage allowance applies.
- ▶ VA sectors need to be booked using VA flight number and can only be booked in VA Economy Class.
- ▶ VA sectors need to be booked in conjunction with EY long-haul flights and issued in one ticket.
- ▶ Australia & New Zealand Airpass can be combined with EY international flights in Economy, Business and First.

The offer is valid until further notice. The Australia & New Zealand Airpass is valid for travel to Australia with Etihad Airways (flights operated by or marketed by Etihad). The Airpass needs to be booked at the same time as the Etihad long-haul flight to Australia and must be issued in one document together with the international airfare. Airpass sectors are only valid for travel on Virgin Australia flight numbers. Between two to ten Airpass segments may be issued with an Etihad Airways ticket. Date and routing changes are permitted free of charge at any time (local service fee may apply). The Airpass can only be purchased prior to arrival in Australia, at local Etihad Airways offices or appointed travel agents. Rates are subject to availability of seats at the time of booking. All fares and information are subject to change without notice.
